Every day is my Birthday

My Dear Beloved Satsang Family. I am overwhelmed by your Love and happy birthday wishes. This is the best birthday I have ever had. I'm driving to Chicago today to meet with our Beloved Master, Maharaj Ishwar Ji this week. I loved all of your wishes very much.

Oooh. News Alert!! Master has just told me that the Mauj has changed. He has invited all of us to Sach Kand for a slice of Happy Birthday Cake! Every Day is my Birthday Every day is my Birthday, Born again, joyously anew, In each and every blessed way, In Divine Love through You.

Much Love, Greggo 🌸🌸🌸🌸🌸🌸🌸🌸🌸
